Karyn,

I just received the attached info. Sorry, I had forgotten you asked for it until Carl sent it to me. I think we gave you the new rate for all the systems, but it is: \$25.00 base rate plus \$5.00 per 1,000 gal. of water used.

Allan

Allen,

I don't know if you still need this, but attached is a list of the average yearly flows for all of the Farmdale sewer plants. If you need more information please let me know.

Thank you,
